Developing Online Materials to support the Continuing Professional Development for Music Teachers

The appointment of PROJECT LEADER

As part of an initiative funded by the Training and Development Agency for School, the NAME and MEC seek a Project Leader, who will be responsible for the development and implementation of a new website on teaching and learning in music. The website will provide e-learning support for music teachers in all phases who wish to share good practice and reflect on their teaching. The project leader will direct the project as the materials are developed and as the website is designed and launched.

We seek a person with a proven record as a music education practitioner who has high level skills and expertise in designing and leading CPD or ITE courses. The person will have up-to-date knowledge and skills in distance and e-learning and a sound understanding of technologies associated with the practical elements of website design and maintenance.

The appointment is on a consultancy basis to start as soon as possible in November and continue until the website is launched in the summer of 2008.
